## About Two Pops

After growing up in Inverness and moving away for a while, coming back to Citrus County was such a treat, until we discovered our Favorite Sub Shop sold and changes were made. Unable to find a good Italian Sub, we talked about opening a place of our own and then fell upon a golden opportunity here at River Safari's and Gulf Charters in Old Homosassa, FL where we could provide Quality sandwiches featuring Boars Head Products. Opening at 6:30 am, every day featuring Fresh Hot Breakfast Sandwiches, Biscuits and gravy, made to order Subs and our best selling Cuban Sandwiches featuring Bread straight from La Sungunda Bakery in Ybor City.

When yet another opportunity presented itself, we decided to make it a true family affair and now have our daughter Jordan and her fiancé Zack taking over this location while we move along to Two Pop's at The Gate. A larger sit-down restaurant just down the street.

While this location will remain basically the same, Two Pop's at The Gate will offer Full Breakfast's, Hearty Lunches and Daily Specials.

Thank you for your continued support here at Two Pop's and we look forward to seeing you at "The Gate".
